Arrival

Once you have been picked up from This liveaboard safari explores the spectacular Southern Red Sea, taking divers to some of the region's most renowned reefs and marine parks. Begin your journey in Hurghada or Marsa Alam, then head offshore to dive iconic sites such as Abu Dabab, famous for its turtles and vibrant coral gardens.

Continue to Daedalus Reef, a remote offshore marvel with dramatic walls, thriving coral, and the chance to encounter hammerhead sharks and other pelagic species. Next, explore the stunning reefs around St. John's and Zabargad, where pristine coral gardens and abundant marine life create unforgettable dives.

The adventure continues to Sataya, Sha'ab Claude, and Abu Galawa Soraya, offering colorful reefs and thrilling drift dives. A night dive at Gota Bohar adds an extra touch of magic, revealing the Red Sea's nocturnal life. The journey concludes with dives at Elphinstone Reef and a final visit to Abu Dabab before returning to port.

This route combines remote offshore reefs, exciting drift dives, and some of the Red Sea's most famous marine environments, making it a must for divers seeking variety, adventure, and spectacular underwater scenery.

the airport you will be taken to the port to board your liveaboard. If you are making your own way to the harbour we ask that you not board before 16:00. There will be a full welcome briefing on arrival and you can set your kit up. If you have prepaid any rental equipment this will be given to you on arrival. Enjoy dinner on board and settle in. The boat will not leave harbour on this first night.

After the boat permissions are sorted, the boat will depart the next morning and the check dive will be made.

A normal Wrecks & Reefs itinerary will dive at the following areas but the exact dive sites and order will vary week by week depending on what people enjoy, where the best sightings have been and reflect diver experience levels.

All liveaboard itineraries are subject to various unpredictable changes including weather conditions and changes in local Government approval. Whilst our boat operators make every effort, we cannot guarantee diving at specific sites. In adverse weather conditions, the guides and captain of the boat will have the final decision about which dive sites to visit to ensure that the safety of guests, staff and boats is not compromised in any way.
