

NORTH WRECKS REEFS TIRAN AND DAHAB

Experience the best of the Northern Red Sea and Dahab on this 7-night liveaboard adventure. Explore legendary wrecks at Abu Nuhas, including the Giannis D, Carnatic, and Chrisoula K, and dive the historic Thistlegorm, Shag Rock, and Kingston near Shaab Mahmoud. Discover the vibrant coral gardens and drift dives of Tiran reefs—Jackson, Thomas, Woodhouse, and Gordon—each offering unique walls, overhangs, and abundant marine life.

No Red Sea adventure is complete without the world-famous Dahab Blue Hole, where dramatic chimneys and colorful reef life await. The pristine reefs of Ras Mohammed provide spectacular drop-offs, soft corals, and encounters with barracuda, rays, tuna, and other pelagics. Whether you're drifting along walls, exploring wrecks, or night diving under the stars, this itinerary combines history, adventure, and some of the richest marine life in Egypt.

ITINERARY

Day 1 – Embarkation

Guests board in the evening (around 16:00–17:00). Welcome briefing, cabin allocation, and equipment setup. Dinner on board and the first night spent in the harbor.

Day 2 – Check Dive & Abu Dabab

Departure in the morning. After a dive and safety briefing, enjoy your first dives at Abu Dabab, known for its turtles and vibrant coral gardens.

Day 3 – Daedalus Reef

Three dives at Daedalus Reef, exploring dramatic walls, thriving coral, and the chance to encounter hammerhead sharks and other pelagics.

Day 4 – Daedalus Reef

Another full day of diving at Daedalus Reef, exploring different sections of this remote offshore reef.

Day 5 – St. John's & Zabargad

Three dives around St. John's Reefs and Zabargad, famous for pristine coral gardens, abundant marine life, and breathtaking underwater landscapes.

Day 6 – Sataya & Surrounds

Dive Sataya, Sha'ab Claude, and Abu Galawa Soraya, with a night dive at Gota Bohar to experience the reef after dark.

Day 7 – Elphinstone & Abu Dabab

Two final dives at Elphinstone Reef and a return visit to Abu Dabab before sailing back toward port. For safety reasons, divers should avoid flying within 24 hours of their last dive.

Day 8 – Disembarkation

Guests disembark after breakfast, no later than 10:00, followed by transfer to the airport or hotel.
